MILNES Corner

Milnes' front gate gets closed between 10 PM and 4 AM to ensure site security. However, lately there have been issues with the front gate being left open.

If drivers are unable to close the gate between these times, they are required to **INFORM THE SHIFT LEADER**, so the shift leader can close the gate. Thank you!

**Fundraising for
Royal Flying Doctor Service WA**

ANARU'S STORY

I live a very busy lifestyle of a Roadtrain driver, but I have managed to lose 16 kilograms in the last year with doing regular gym, boxing, and swimming sessions.

I have now created a goal to participate in my first fun run and why not fundraise for an awesome charity, Royal Flying Doctor Service WA..

ANARU

The Royal Flying Doctor Service (RFDS) is an Australian tradition, looking after people who live, work and travel throughout regional Australia. Did you know in WA, the RFDS provides an emergency evacuation or hospital transfer for an average of 24 people every day? That is one person every hour of every day. The RFDS is a not for profit organisation, established in 1928.

Your contribution ensures RFDS has the latest technology in medical and communication equipment, crucial for saving lives.

If you wish to **donate before 22 May 2016**, simply visit Anaru's profile on HBF Run for a Reason website:

Thank you for helping to keep the Flying Doctor Flying!
