MARLEY'S REMINDERS

IF YOU ARE INVOLVED IN A MOTOR VEHICLE ACCIDENT WITH ANOTHER VEHICLE, REGARDLESS OF THE SEVERITY, YOU NEED TO COMPLETE THE ONLINE POLICE CRASH REPORT AT MARLEY'S OFFICE.

It is legal obligation to make a report to the WA Police.

If the Police takes a report on the site, but at a later stage someone claims an injury resulted from the crash you are legally required to make an online report to the Insurance Commission of WA.

As injury may not be evident right away, the other party may not make a claim until some months down the track. As such, the details may not be clear at this point in time. That is why Marley's requires all drivers who are involved in a motor vehicle incident with another vehicle, regardless of severity, to come to Marley's office and complete two things:

1) Marley's Accident/Incident form, and 2) Online Police Report.

Marley's Compliance Officer Chris can assist you with both.

For more information please visit: <https://www.crashreport.com.au/ocrf/>

THANK YOU to staff members who are already
complying with the above requirements & reminders!

We pride ourselves on providing a reliable and efficient transport service to our customers.

STAFF PROFILES

Meet Jane Sawyer, new Payroll / HR Officer

Born in Scotland, grew up in Perth, a proud mum of two beautiful teenage boys.

Jane says she has lots of nicknames, depending who you ask. Her passion is AFL which is why she is a treasurer for Rockingham Rams Football Club.

If Jane won a million dollars, she would pay off her house, buy a new BMW, help out her family, and probably squeeze a holiday or two to Mauritius. The most daring thing Jane would like to try is swimming with sharks. Sitting in the sun with a good book or good company and a glass of wine is her favourite way of spending a day off....that is if you don't get eaten by the sharks Jane :)

Meet Derek Youngman, new Service Admin Assistant

Born in Singapore, arrived to Australia early 80'.

Derek follows Soccer, NFL (Dallas Cowboy), Ten-Pin bowling and Motorbike Racing. He is a movie buff, doesn't have a favourite flic, but his favourite actor is Charles Bronson ...the resemblance is obvious... mustache :)

With million dollars, Derek would help his family and buy a house in Freo and Europe and would travel to Alaska, Canada, and Europe. The most daring thing he'd like to do is to fly a fighter jet.

WELCOME ON BOARD JANE AND DEREK!

WAY OUT IN SPACE

two Aliens are watching Earth and talking to each other.

The first Alien says, "The dominant lifeforms on the Earth planet have Developed satellite-based nuclear weapons."

The second Alien asks:

"Are they an emerging intelligence?"

The first Alien replies: "I don't think so, they have them aimed at themselves!?"
