**ATTENTION DRIVERS:** All new time-card books now have a column on them which you are required to tick upon completion of loading. It is there to verify you have completed your checks after loading to ensure your vehicle is not over loaded, your load is secured (tarps & tail gate locks) and you are right to travel with the load. Further info on this is inside cover of your new timecard books. Please take the time to familiarise yourself with it.

Got a photo, appropriate jokes and puzzles, or something else to add to Marley's Mail, please contact

## MARLEY'S REMINDERS

**DAILY CHECKS** Please ensure to check oil, coolant and tyres each day.

**UNIFORMS** please familiarize yourself with onsite rules and ensure you comply with uniform requirements.

**WINDOWS AND MIRRORS** Glass cleaner is available in the workshop, please ensure that your mirrors and windows are cleaned daily and are easy to see through.

**WET WEATHER-** With the weather changing and the roads becoming wet and slippery, please ensure you are driving with caution. This includes stopping within safe distances of other vehicles, and being cautious around small cars in the wet weather.

**TAILGATES** Please ensure you check tailgates are correctly secured, including safety latches prior to loading.

**THANK YOU** to staff members who are already complying with the above requirements & reminders!

**CBH Corner—  
SAFETY ALERT  
Getting Home Safely**

**CBH Safety Vision**  
*is that we all re-  
turn home safely  
at the end of each  
working day.*

**Safe Driving Reminders**

Please ensure that you obey all signage at all times whilst on CBH Sites.  
The signage is there for a reason so please take notice.

**MILNES REMINDER**

**ATTENTION ALL DRIVERS**

**MILNE Feeds**

- Except for designated smoking area, this site is strictly NO SMOKING.
- High Visibility vest or High Visibility clothing must be worn when out of the cab.
- Safety foot wear is to be worn at all times on site.
- Climbing onto loads is not permitted at the back of the yard. Levelling of loads must be done from the weighbridge gantry using the rakes provided.
- Drivers are to sound the truck horn briefly before they move off to alert anyone who may be around to the fact they intend to move.
- Drivers are to stay with the truck, preferably in the cab, and not to wander around the site.

A Contaminated Waste Bin has been installed at the fuel bowser at Wesfeeds. This is the back bin and is labelled accordingly. This is **NOT** a general waste bin. **DO NOT** put rubbish in this bin. This bin is for contaminated waste generated from oil / fuel spills only. Please use this bin to dispose of oily rags and any material used to clean up a diesel spill. Thanks for your corporation.
