ATTENTION DRIVERS:

Please ensure during winter you continue to wear your high vis clothing. If you want to wear your own jumpers to keep warm when you get out of your truck or leave the workshop this is completely fine, just please put a high vis vest over the top. If you do not have one, please ask your Supervisor and it will be arranged.

WET WEATHER

Please drive safely in wet conditions ensuring that you allow extra space when stopping.

Common sense is like deodorant.
The people who need it most, never use it!

FAULT REPORT BOOK

"ATTENTION ALL DRIVERS"

Please ensure you follow the instructions in the Fault Report Book.

- ◆ **One (1) piece of equipment per page ONLY.**
- ◆ **Write the full equipment number on the page, e.g. Mobile 21 not just 21 otherwise we might think it refers to Tipper 21 or Dolly 21.**
- ◆ **Write the actual problem, e.g. Don't just write "hydraulic hose", write "hydraulic hose coupling at rear of tipper leaking."**
- ◆ **If the fault is of a serious/safety concern make sure you actually ring Management/Greg and note down details on the form.**
- ◆ **Please tear out the white copy and hand in with your paperwork ASAP.**
- ◆ **All faults need to be recorded in your book. The Workshop Staff have been instructed to request all Drivers to complete a Fault Report before carrying out any notable repairs.**
