April 25th is the day that the Australian and New Zealand Army Corps landed on the Gallipoli Peninsula during the First World War. 60,000 Australians fought at Gallipoli, 26,000 of them were injured and 7,549 lost their lives.

In 1927 a national day of commemoration was undertaken by all states in some form, by the mid-1930s rituals like; dawn services, marches, reunions and two up games were cemented into our culture.

Today, it is a time that we stop, reflect, and remember the sacrifices that any of our troops that have undertaken active services for our country.

MARLEY'S REMINDERS

We would like to extend to you all a

Happy Easter

Easter is a time of the year that predominately people travel away to enjoy the short break. That means more people on the roads on the Thursday night, Friday and the following Monday, leaving or returning home, this is the time that the unexpected can happen!!

Please stay calm, allow a little more time for braking and most of all stay alert.

Take Care: With intermittent wet weather, please remember the roads can be a bit oily/slippery and to ensure drivers leave plenty of space between other vehicles to ensure they aren't forced to try and stop quickly.

Road Safety Commission - Changes:

- 1. Emergency and breakdown vehicles – Slow Down, Move Over (SLOMO)** - Drivers are required to reduce speed to a maximum of 40km/h when passing incident response vehicles with flashing lights and, where possible and safe to do so, move to the next lane. Failure to do so could cause you a fine of \$300 and loss of 3 demerit points.
- 2. Cyclists – Might be a Mate – Must be a Metre** – when the speed limit is 60 km/h or under, motorists **must** leave a gap of at least 1m when passing a bicycle rider, over 60 km/h the gap **must** be at least 1.5m. Failure to do so could cost you a penalty of 4 demerit points and \$400 fine.
