Special Thanks

Trent Poole - Celebrating 2 years at Marley's on the 29th of June. We thank you for the past 2 years at Marley's Transport Trent.

Colin Hughes - Celebrating 11 years with the Marley's team on the 13th of June. We say thanks for your dedication and devotion to Marley's over the past 11 years Colin.

Mark Kenny – On the 8th of June, Mark has worked an outstanding 14 years with the Marley's team. We cannot thank you enough for your commitment over the past 14 years and we look forward to some more years to come Mark.

Marcus Watson - Celebrating an incredible 25 years at Marley's on the 15th of June. We thank you for absolutely everything over the past 25 years and we still cannot wait to see the future with you. We always thank you for the huge variety of tasks you have done over the past 25 years. Thank you, Marcus.

Winter Solstice 2022 occurs on Tuesday June 21st at 5:13pm.

The shortest day of the year with the fewest daylight hours. It's the exact time when the southern hemisphere or pole is tilted directly away from the sun and the north towards it.

Farmers mark the time for seasonal agricultural activities, we use it to mark moving away from darker mornings and nights.

June 6th Western Australia Day, formally known as Foundation Day. WA Day is celebrated on the first Monday in June each year to commemorate the founding of the Swan River Colony in 1829.

On the First of June 1829, Western Australia's coast was first sighted from the barque Parmelia. This ship was the first civilian transport to establish the Swan River Colony, the first permanent British colony in Western Australia.

2022 this day now celebrates our indigenous and Aboriginal cultures and recognizes its inhabitants as original residents.

Happy Birthday Team:

Russell Banks – 1st June

Jonathan Morgan – 10th June

CJ Elliott – 16th June

Russ Hare – 21st June

Ed Christison – 26th June

Sending you all our very best for your special day.

Ricky – Around the corner from the Narrogin Milnes Depot

Incident Events:

Property Damage -A truck driver had loaded his lead trailer with product and at the same time loaded the two end compartments of his dog trailer. The driver proceeded out of the site and around the block to re-enter site to undertake the remainder of the loading for the dog trailer. As the combination was rounding the corner and turning into the back entrance the dog trailer moved uncontrollably and contacted an onsite building causing damages to the building and the dog trailer. *Always consider how your combination is loaded before any movement is undertaken.*

Personal Injury One of our drivers has sustained a serious hand injury whilst undertaking works at a local feedlot. *Please read the attached Safety Alert #23 Pinch Points. We can advise that our driver is on the mend, and he is assisting us in the office with maps and scheduling during rehabilitation.*

Property Damage A truck was being moved from workshop to yard after its grease up. During movement a fire hydrant was contacted by the prime mover. *Always be aware of your surroundings whilst moving around sites. If in doubt stop, get out and check if something doesn't feel quite right.*

Dale in MBL 46 at Kookabrook

Welcome new members to team Marley

Andrew Aspen – Driver

Steffen Lajh – Driver

Rodney Warner – Driver

*Marley's - New additions to the fleet.
