With the onset of winter road conditions, driving safely is always advisable

You are advised to

1. Put on your seat belts,
2. Drive below the speed limit,
3. Maintain a safe braking distance
4. Obey traffic rules and so on and so forth.

All these are measures for your own safety, which completely lies in your hand.

In the words of Sports Manager Tommy Lasorda "Baseball is like driving. It is the one who gets home safely that counts."
