Thought of  
the Month . .

**Please Note:**

## **CHRISTMAS IS CANCELLED**

Apparently, YOU told Santa that  
you have been GOOD this year ...

*He died laughing*

## MARLEY'S REMINDERS

**MESSAGE TO SMOKERS** As you would all be aware it is extremely windy in Hope Valley so it's imperative that you extinguish your cigarette butts completely in the ashtray before you walk away.

On several occasions the ashtray has caught on fire and with the windy conditions in this area there is always the chance of fire spreading very quickly.

**HEAT AWARENESS** On hot days make sure you reduce your speed and drive accordingly, the last thing you want is a blowout and to be changing a tyre in the heat.

We would like to remind everyone to keep up your fluid intake during the hot days.

**UNIFORMS** It is a requirement of all Marley's staff to wear company uniforms whilst operating outside of their vehicles. This is not only to meet our OSH obligations to you, but also to meet the OSH obligations of our customers and suppliers to ensure we can continue to keep you safe at all times. As such, whilst inside your vehicle you can take off your Marley's long sleeve uniform shirt should you desire however once outside of your cab you must wear your long sleeve Marley's shirt at all times.

**SPEEDING** Please be aware of the speed limits at various different sites including Hope Valley. There has been an increase in the number of speed related complaints in the past month. Speed limits are enforced for the safety of all persons, Marley's or otherwise. Your safety is important to Marley's and it is our goal to get you home safely everyday.

**We pride ourselves on providing a reliable and efficient transport service to our customers.**

## CBH Corner— SAFETY ALERT Getting Home Safely

*CBH Safety Vision is that we all return home safely at the end of each working day.*

### Safe Driving Reminders

**Kangaroos** - Avoid erratic vehicle swerving to miss kangaroos, keep the vehicle straight and focus on the road.

**Gravel Shoulders** - If you drop a wheel off into the gravel shoulder, take your foot off the accelerator and slow the vehicle down to a safe speed, allowing you to bring the vehicle safely back onto the road. *Don't react by overcorrecting. It is a natural tendency to do this, and if you do, you are likely to lose control of the vehicle, cross over into oncoming traffic and/or roll the vehicle.*

**PPE** – A reminder long sleeve shirts and enclosed footwear are mandatory on all CBH sites. Additional PPE may be required on certain sites if other works are being conducted such as hard hats, glasses etc.

**Mobile Phones** - Are a distraction, put them away in the glove box or boot to avoid temptation/distraction.

**Alcohol** - Do not drive if you are under the influence of alcohol.

**Overtaking** - Only overtake when safe to do so.
