## ANZAC DAY

Anzac day remembers the anniversary of landing on Gallipoli in 1915. It a day that all Australians and New Zealanders remember those that served and died in war, both past and present.

The spirit of Anzac is evident today as it was in the past relying on the qualities of courage, mateship and sacrifice by our service men and women.

**Two nations who will always have each other's backs**

*They shall not grow old,*

*as we that are left grow old;*

*Age shall not weary them, nor the years condemn.*

*At the going down of the sun and in the morning*

*We will remember them.*

**25<sup>th</sup> April**

## Marley's Reminders:

**CBH Avon** – Drivers are advised that all trucks exiting site at the end of the exit slip lane at Avon – **MUST** ensure that they come to a complete **STOP** at all times.

CBH have advised that some trucks are only complying with a give way manoeuvre which could result in a potential traffic accident.

CBH have advised that they will engage the local police to enforce and manage if this request is not complied with.

**Tipping** – Drivers are reminded to ensure they are on flat and level ground before tipping. Only raise the tipper 2-3 stages and ensure the product is flowing before

raising higher. Drivers are to remain at the controls whilst raising the tipper.

**Tampering** – Drivers are reminded that it is against company policy to tamper with any of Marley's equipment.

It has been identified that some drivers are tampering with electronic devices such as the Seeing Machine cameras in their trucks.

These devices are there to protect you!

If you don't understand how they work or feel uncomfortable with their presence please come and speak to management and we will show/explain to you their function.
