What's Gone Wrong?

A Subby has gone against traffic flow at a CBH Site and has had a near miss with another truck. **Please be reminded to always ask questions if you are unsure of anything. Always stop before you go any further to prevent mishaps or even a major incident.**

Reminders

All PPE gear must be worn at all times, even on site. This includes wearing enclosed shoes and high vis when fuelling up on any site.

As we approach the Christmas season, please be reminded to stay extra careful as there will be more people out on the roads.

We hope you have a lovely Christmas and a very Happy New Year!

Just a reminder...

BE SAFE THIS HOLIDAY SEASON.

Remember to stay safe at home.

Maintain 3 point contact when topping the tree.

Prohibited actions: No pets on ladders, no candles near hats, no pets near electrical wires.

Beware of bursting belt buckles.

Make sure pets don't get tangled up in wrappings.

Keep candles a safe distance from santa hats.

Create a safe landing strip for Rudolph.

Share your holiday season safety tips with us #BeSafe.
