

MARLEY'S MAIL - February 2019

Email: admin@marleys.com.au website: www.marleystransport.com.au

Australia day is celebrated as the official national day of Australia. It marks the anniversary of the arrival of the first fleet of British ships to arrive on our shores in 1788 at Port Jackson. Over the years this day has evolved, originally this day was referred to as Anniversary Day and Foundation Day, but now Australia Day. People celebrate this over Australia in many ways, BBQ's, fireworks, picnics or just getting together with family and friends. It's a day that we celebrate all things we love about Australia, our land, our lifestyle, our people and a sense of fair go. Some new Australians are undertaking their citizenship celebrations on this day.

Some Indigenous Australians do not see this as a celebration but as the invasion of their land by Europeans and protest the celebration of this day. Some call it Invasion Day or Survival Day.

26 January 1788 – Captain Arthur Phillip raising the British Flag at Sydney Cove.

Whatever this day means to you – celebrate our beautiful nation in your own way.

February 2019

Wishing you all laughter and cheer on your special day

Happy Birthday

Jay Caplan - 5 Feb

Shane Gatti - 6 Feb

Ash Summers - 7th Feb

Ray Tilipski - 12 Feb

Liam Ward - 21 Feb

Grant Mannington - 21st Feb

Warren Shewan - 24th Feb

You don't get older, you get better!!

Welcome new members to the Marley's Team

❖ Jeremy Amato - Scheduler

Jeremy joined the team early this month, he has been working in logistics for 7 years and is looking forward to familiarising himself with you all in the coming weeks.

Hobbies: Motorbikes and tinkering with cars, fishing and swimming.

Previous experience working with: Sea freight – shipping containers and Mining in Western Australia

❖ Wayne Symes - Driver

❖ Patrick Heagney - Driver

welcome all.

We pride ourselves on providing a reliable and efficient transport service to our customers

MARLEY'S MAIL - February 2019

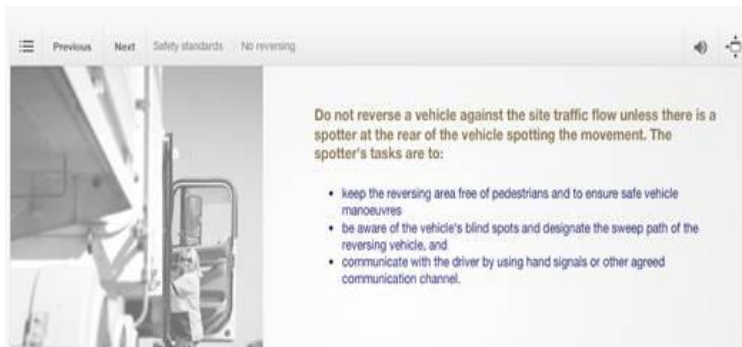

Email: admin@marleys.com.au website: www.marleystransport.com.au

Marley's Reminders:

INGHAMS – Paperwork – Drivers it is requested that extra care is taken when presenting your paperwork, it is identified that some of the little shopper dockets are being lost or are missing, please fold, apply a paperclip or if able staple them to your paperwork.

CBH – Reversing Requirements – Drivers if you are requested to reverse at any CBH sites – it is requested that you contact Marley's Management before this is performed.

Below is a refresh out of **CBH's Road Transporters Induction** for your information:

CBH Mobile Phones – Lifesaving Rules – Drivers please note as advised at a Safety Forum attended early in January – Any driver sighted using their **personal mobile** whilst the **truck is moving** in any way will be **banned from site and Site Pass** for a period of **12 months**. If you are required to use your mobile external of the truck you are to ensure that you must be stationary and away from operating equipment during usage.

CBH Weighbridge Operations – CBH have reported that in recent months some operators have been incorrectly positioning vehicles on the weighbridge, so that gross mass reflects the drivers desired weights.

They have sighted drivers pulling the front steers or rear axle group off the weighbridge in order to reduce the gross weight to the legal limits. Additionally it has been sighted that a tool similar to a crow bar has been used to also miscalculate the weights. As per Chain of Responsibility requirements; you are required to travel on the roads in a compliant manner.

CBH have advised that if you are identified manipulating weights, they will be implementing a ban to the person from all CBH sites for a 12 month period.

The Holidays Over - Marcus returns from his holiday's on Monday 11th February, I'm sure it's going to take him a number of days to get back into work mode and get a handover of all the happenings during his time away.

4th February is the day that school resumes in WA

Please ensure that we take extra precautions during the first number of weeks around schools and on roads.

Mbl 31 – Gingin – Swan Valley Egg Cracker of a photo!! Thanks Warren

We pride ourselves on providing a reliable and efficient transport service to our customers
