## Cleaning Out:

Please be reminded to always clean out your trailers as it essential that we do not cross-contaminate. It is especially important when you change feeds or mills between loads. We have a clean out facility on site, so please endeavour to use it for these reasons. We also have a levelling out platform located at our facility, so please use this as it prevents you from climbing up on your trailer.

## Reminders

### Exiting Armstrong Road onto Anketell Road:

Please be reminded to take extra caution when exiting Armstrong Road and entering onto Anketell Road as the curb on the left-hand side has been blown out from heavy vehicles running over it. Please be careful when using this intersection as there are many potholes forming and the road is cracking. Please see the image below:
